

The background of the image is a complex digital interface. It features a hand in the foreground, with the index finger pointing towards the center. Behind the hand are several concentric circles and arcs, some of which are filled with binary code (0s and 1s). The overall color scheme is a mix of light blue, white, and grey, giving it a high-tech, futuristic feel.

my | **HITECO**
HIGH TECHNOLOGY COMPONENTS

my **HITECO** is the portal where you will
find all our services in **one click**

Thanks to My Hiteco, you will have access to a large number of apps!

HITECO CONNECT

It maximises the efficiency of your products by constantly monitoring their **condition and remaining life**. Each **update** will be given to you in **real time**, allowing you to intervene quickly to avoid any hitches due to machine stops.

PARTNER AREA

All the **commercial documents** and those for sales support, brought together into a single space for easy, rapid consultation. It guarantees your team access to all the resources they need at the sales negotiation stage.

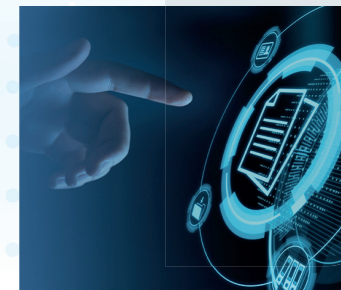

SALES LOGISTICS

In the Sales Logistics section you can always find **up-to-date** documentation on all orders made.

DMS PLUS

Access all your products' technical documentation any time you need them. The **technical database** is **fully accessible** and **freely available** to ensure you have the answer you need ready to hand.

UNLIMITED ACCESS FROM ANY DEVICE

Free, 24/7 access from any device.

Visit My Hiteco and open your account to enjoy all the advantages.
